

City Council Agenda Bill

20094

Bill Number

Subject: Bid award for 2013 Crack Seal Program Rebid (Bid #62B-2013)

Summary Statement: The 2013 Crack Seal Program is an annual project that attempts to extend the life of city streets by sealing asphalt cracks and preventing surface water from entering the roadway subgrade. This project was bid for one year. Bids were opened on August 28, 2013. The apparent low bidder is Doolittle Construction LLC from Bellevue, Washington, for \$161,800. There is one bid protest from CR Contracting from Bend, Oregon. The protest requests that the low bidder be disqualified because they did not include a subcontractor list with their bid. Specifications state that bids "may" be rejected for lack of a subcontractor list. In this case, Doolittle Construction is not using any subcontractors; therefore, staff deemed that the subcontractor list was immaterial. Public Works is recommending award of bid.

Previous Council Action: 2013 Budget Approval

Fiscal Impact: 2013 City Street Fund = \$161,800

Funding Source: Street Fund
