Bill Number

Subject: Post Point Chlorination Replacement Project Bid Award 82B-2013

Summary Statement: The project will make significant modifications to the current chlorination system at Post Point. The existing two chlorine vacuum regulators / switchover units for the two chlorine container banks will be replaced with 14 container-mounted vacuum regulators and two remote switchover units. The existing chlorine gas pressure lines will be replaced with chlorine gas vacuum lines. There were fifty-one (51) bid solicitations viewed with two (2) timely responses submitted to the City.

Previous Council Action: None

Fiscal Impact: The bid should be awarded to Award Construction of Ferndale, WA, in the amount of \$368,493 which includes Washington State sales tax.

Funding Source: Water Fund
