

City approved street tree

2" fine hemlock/fir bark mulch

the landscaping meets the following requirement:
"Landscape. The term, as used within the landscaping section, shall mean the installation of an inclusive combination of trees, shrubs and ground cover within a defined bed area. A minimum of one tree is required per bed or one tree for every 300 square feet of required landscape area, whichever is greater. Fractions shall be rounded to the higher whole number. (See Figure 9 of this section.)" within Bellingham Municipal Code 20.08.020.
