

Attachment G

2016 Bellingham Comprehensive Plan

Land Use Chapter

GOAL LU-1 Support sense of place in neighborhoods.

Policy LU-1 The Single-Family Residential designation permits a range of housing densities to achieve the City's housing diversity and affordability goals. In undeveloped or infill areas, new housing may include single-family detached, single-family attached, townhouses, cottage housing, accessory dwelling units, clustered housing and other small-scale housing forms. Accessory, public and semipublic uses are also allowed.

Policy LU-4 Protect the unique character and qualities of existing neighborhoods, while identifying opportunities for improved livability, safety, and housing affordability and diversity.

Policy LU-10 To achieve a healthy mix of housing that is affordable to a wide range of incomes, implement and seek new, innovative tools, including, but not limited to:

- Density bonuses;
- Inclusionary zoning;
- Cluster subdivisions that preserve open space, retain natural features and provide other public benefits;
- The Infill Housing Toolkit, which includes small lot homes, townhomes and other housing forms;
- Accessory dwelling units;
- Adaptive reuse of existing buildings;
- Purchase and transfer of development rights (TDR) programs; and
- Public-private partnerships for shared parking facilities, wetland mitigation, and regional stormwater management.

GOAL H-1 Ensure that Bellingham has a sufficient quantity and variety of housing types and densities to accommodate projected growth and promote other community goals.

Policy H-16 Increase the supply of affordable rental and ownership housing that is context sensitive throughout the City, especially in areas with good access to transit, employment, education and services (see Land Use Chapter for definition of "context sensitive").

Policy CD-33 Encourage the construction of small-scale housing types that fit the context of single-family neighborhoods, such as accessory dwelling units, cottage housing, townhomes, zero lot line homes, and small lot housing.
