Hi Kate,
Of course, I'm sorry I misunderstood!

Please see the attached project plans. One thing to note, these plans are preliminary, and the City has requested some revisions to the architectural designs of the proposed buildings (but these revisions won't affect the proposed site layout). These revisions have not been completed by the applicant.

If you have any questions, please let me know.

Best,

Sara,

Thank you for your response but I was unclear. I was referring to the diagram. I was hoping to get that page digitally so I can expand it to better see the details.

Thanks

Sara,

I recently received this notice and have a couple requests.

Can you send the notice digitally to me? The print is so small that I am unable to read and share the proposed plan.

Secondly, can you inform me when a public hearing date has been set for this project?

Thank you,

Kate McDonald
